The website benefits from:

Geo-Fence - The system allows you to create a virtual perimeter around a specific location. This geo-fence can be labelled to allow easy identification. An email can be sent if the vehicle enters or exits the specific area.

Reports - The site offers multiple reports giving you a variety of information including journey, timesheet, and all activity data.

Street Mapping - Street view level mapping via Premium Google Maps.

Speed Warnings - Set your own ideal speed limit - if the vehicle travels above the set speed then you will receive an email.

All devices within this brochure have the added benefit of a FREE locational mobile device app. For further information scan the code or visit www.globaltelemetrics.eu/app

- Fully transferable (Terms and Conditions apply)
- Covert black box
- 3 year warranty (Extendable to 12 years)**

Extra Options

- Email alerts (movement, battery disconnect and low battery)**
- Remote immobilisation (plant and agricultural)**
- Alarm alert by email (plant and agricultural)**
